

Halloween time...

Halloween is the perfect time to change and eat sweets! On Halloween children go trick-or-treating.

They knock on the doors and say, "Trick or treat." They get lots of sweets and chocolates. They dress up as witches, skeletons, zombies and other monsters.

Some wear makeup and others masks. On Halloween children carve jack-o-lanterns. They make happy or spooky faces. They put lights in Halloween pumpkins.

At this night children are very excited. This is the best day of the year!

Halloween costumes...

On Halloween children dress up in various scary outfits. Typical Halloween costumes are scary vampires, skeletons and ghosts. There are also werewolves howling in the light of the moon, witches on broomsticks and cats on the roofs of haunted houses. The easiest way is to prepare a ghost costume. Just cut a hole for your eyes, nose and mouth in a white sheet. To make werewolf costume you need to have grey trousers, a grey sweatshirt and various pieces of materials.

Make some holes in the middle of the sweatshirt. Cover them inside with furry fabric patches so it seems your whole body is full of hair and you're a true werewolf.
